

EDUCATOR INITIATIVE GRANT 2023-24 APPLICANT'S GUIDE

Who Can Apply

Individual classroom teachers or teams of K-12 Summit County educators in public, private, parochial or not-for-profit charter schools.

Individual classrooms are eligible for up to \$5,000, and teaching teams (two or more classrooms) can receive up to a maximum of \$10,000.

Priority is given to the following:

- Projects/programs that help students meet or exceed Ohio's learning standards, especially those related to [Social Emotional Learning](#).
- Projects/programs that help teachers and students become aware of and achieve equity and inclusion.
- Projects that demonstrate support for keeping learners on track for college and career readiness, as demonstrated by progress along six key transition points on the [cradle to career journey](#).

How to Apply

Follow these steps:

- Identify the educator who will serve as the primary contact for your team and school. Team leaders are **not** permitted to lead more than one project.
- Review the **Educator Initiative Grant Evaluation Rubric/Checklist** to ensure you're meeting all of the guidelines (*attached*)
- View a **blank application form** on GAR's website to prepare for the questions. <http://garfoundation.org/apply/educator-initiative-grants/>
- Make sure to allow enough time to obtain both your Principal's and Superintendent's signature on the **Endorsement Form** that accompanies your application for your project (*attached*)

- Use the **Project Budget** spreadsheet template provided to itemize and tally the total expenses for your project. **Please ensure you complete the Rationale section for each of your line items**, and that the total on your Project Budget matches the Amount Requested in your application. Submit this form with your completed application. The Project Budget is available on [GAR's website](#).
- Complete the **online** application form on [GAR's website](#).

No attachments will be accepted other than your Project Budget and Endorsement Form

You do not need to complete a Letter of Inquiry for an EIG application

**All EIG applications must be submitted online to GAR Foundation no later than 5 PM, February 24, 2023.
Notification of awards will take place in May.**

Educator Initiative Grant Evaluation Rubric

| The following rubric reflects how the EIG Evaluation Team will assess your grant application. Use this as a guide when writing your proposal. | 100 Total Points Possible |
|--|---------------------------------|
| Project Overview | 0 |
| <ul style="list-style-type: none"> A succinct, two-sentence description of your project and desired outcome. Required. | |
| Project Description | 20 |
| <ul style="list-style-type: none"> The project description clearly conveys the need for the project, and goals for student achievement. Specific standards that are addressed by the project are identified, and the project is demonstrably innovative and creative. | |
| Compelling Story | 20 |
| <ul style="list-style-type: none"> The proposal articulates teachers' sincere belief in why the project will support student achievement or learning. The reader is compelled by specific data or practices that support the assertions. | |
| Cradle to Career Continuum | 5 |
| <ul style="list-style-type: none"> The proposal indicates that the applicant has identified how the project supports students' learning on the Cradle to Career Continuum. It is clear that the applicant understands their work as part of a larger continuum of learning for each student. | |
| Student Impact | 20 |
| <ul style="list-style-type: none"> The proposal advances social emotional learning for all students, and links directly to identified Ohio's Learning Standards for Social Emotional Development. The proposed project integrates the use of culturally relevant practices, whenever the project addresses building student empathy, connecting students to different cultures, improving classroom climate, self-regulation or discipline. The project identifies if different groups or cultures beyond the classroom are introduced to students, or reinforced as an expansion of their current cultural understanding. | |
| Sustainability and Replicability | 20 |
| <ul style="list-style-type: none"> The proposal indicates how educators will promote and communicate the project. See here for an example. The proposal identifies ways that other teachers can be inspired to join in the project, and/or replicate or model the project in their own classrooms or buildings. The proposal indicates how educators will sustain the work and continue to develop their own learning as a result of the project. | |
| Technology | 15 |
| <ul style="list-style-type: none"> The proposal indicates the need for technology and how it will be integrated. If technology is not used, the applicant has explained how the project will achieve their stated goal without the use of technology. | |
